About This Game

A new adventure game like Myst, Riven and Obduction. You will find yourself trapped in a mysterious old castle and its surroundings. Explore, discover and solve puzzles in order to escape.

After wandering around in nature you end up trapped in a circular room from which it seems impossible to escape. But when you do, you will find yourself in even deeper trouble.

Complete 3D virtual world containing lots of puzzles and hidden secrets.

Finally completed the game. And I think it's a 100% myst-like game with enjoyable environmental puzzles (my favorite one is about lasers; *those Myst feelings*). Yes, graphics and optimization leave much to be desired, but don't let it scare you off :) This game is a little gem. If you are a fan of mystoids - and there are not many of them nowadays - just give it a try.
